

ALTO BATH SCREENS SPEC SHEET

PRODUCT OVERVIEW

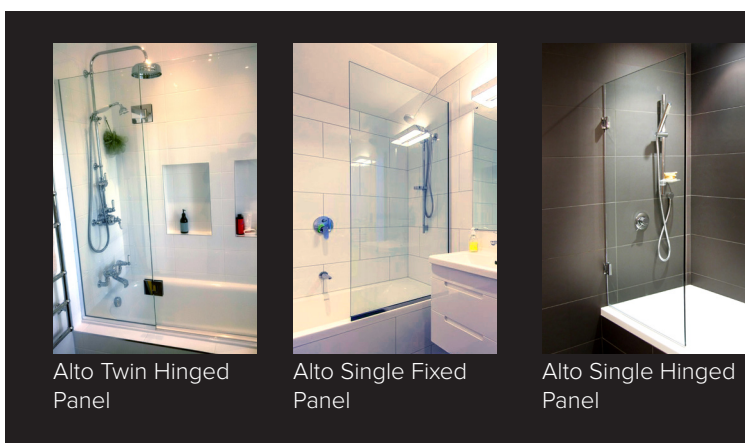

Crest Showers Alto bath screens offer the right solution for a bathroom design and suit most wall and bath styles.

Alto 10mm frameless glass bath screens are the sturdiest and most reliable in New Zealand, providing an unparalleled level of safety while still remaining cost effective. Alto has a range of ready to order sizes and styles, but has the added feature of being fully customisable. Alto bath screens are reversible and can be mounted on the short or long side of the bath.

PRODUCT HIGHLIGHTS

- 10MM TOUGHENED SAFETY GLASS

WHICH BATH SCREEN IS FOR ME?

Alto 10 mm frameless glass offers the best level of safety and quality in the bath screen market. Combining this with fully customisable sizing, the Alto is the right product for you if you have a specific design in mind or a difficult space to get right. The clean, frameless glass panels accentuate your bath area and can add to the overall aesthetic of your bathroom. Suitable for most bath or wall types, Alto offers the complete solution to any bathroom.
