# FLOATING GLASS SHELVES SPEC SHEET

#### PRODUCT OVERVIEW

Crest Showers floating glass shelves are the perfect addition to any tiled shower. Using a strong X Bond adhesive means no drilling holes, brackets or screws, retaining the integrity of the waterproofing and ensuring a subtle, 'floating' feel to your shower.

This hugely popular shelving holds up to 90kg. Easy to install with a range of sizes and styles, these invisible shelves are a simple, elegant solution to storing your shower products.
