Longer Lasting

Our solid surface tops are made by Kordura surfaces, one of the world's leading manufacturers of quartz surfaces and high performance solid surfaces. The tops are non-porous, making them highly durable against everyday products. With a beautiful range of colours to choose from, you will enjoy a quality material and finish with the looks to create a beautiful interior.

Superior Paint Finish

The Bath Co flawless cabinetry finish is achieved through our high-tech paint layering process, where every panel is painted and heated at least five times before being assembled into the unit of your choice. Five times harder than lacquer painted surfaces, it is the only process of its kind in Australasia and comes with a five-year warranty.

Pick A Colour

Our contemporary colour range is regularly reviewed and renewed to keep ahead of the latest aesthetics in interior design, ensures you have the perfect options to create a range of looks. Our naturals and neutrals are the most popular, but for people wanting something dynamic, select from our carefully selected brights to make your interior absolutely memorable.

Timber Finish

When a natural timber finish is desired, we believe in the authenticity that only real timber can provide. Bonded to a moisture-resistant MDF, all timbers come stained and sealed with a highly protective UV finish. Blonde Oak, Coffee, Dark Oak, Natural Oak, Noce, White Oak, Chestnut and Walnut all display a natural variation of colour and grain, creating the recognisable warmth and character of a natural product.

Melamine Finish

Our wood grain melamine is a low-pressure laminate. Colours are available in Driftwood, French Oak, Manhattan Elm, Honey Ash, Classic Walnut, Smoked Ash, Southern Oak, Hickory Walnut, Black Forest and Charred Oak.

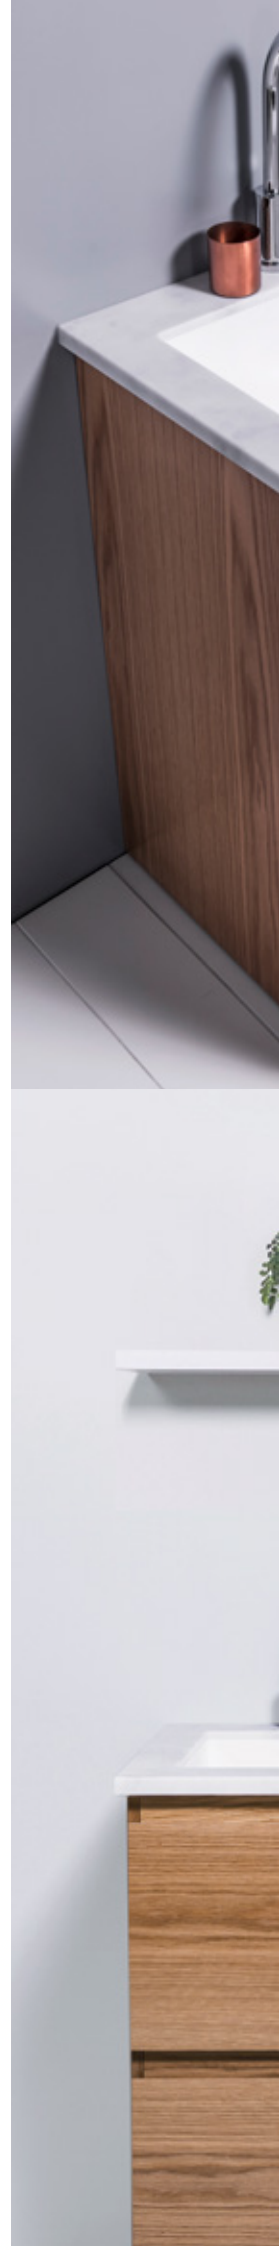

Smooth Touch

Experience the quality and finish of Bath Co products in person. We invite you to visit one of our showrooms to touch and discover a surface so impeccably smooth you could be forgiven for thinking it was glass.

Made in New Zealand

Freshly laundered linen is one of life's little luxuries, and a Bath Co laundry that brings function and exquisite form together, makes wash day a breeze.

Bespoke and beautiful, a Bath Co laundry is the natural domain of domestic gods and goddesses. Purposeful design teams with serene styling to lend a meditative mood to everyday tasks. And it's simplicity itself to create a Bath Co laundry.

Choose cabinets to fit the space, select colours that make your heart hum, add a tub for hand-washing and finish with a high-performance surface.

Your work here is done. Crafted with care, a Bath Co laundry brings practical, pure design to your home.
