

Made in Italy for New Zealand. The Mercer Duro Granite Series is made from 80% granite.

A modern, easy care sink with clean straight lines and a 10mm corner radius, it comes standard with a 90mm basket waste that includes a stylish flip cover.

With the proper care a Duro Granite sink will not scratch, stain or change colour - staying true to its original appearance.

Add a splash of colour with our PVD coloured stainless steel wastes, overflows and taps.
