Nude

Insulated

- **DUCT CORE:** Aluminium foil laminated onto polyester film.
- **DUCT SLEEVE:** Fire retardant 75µm black low density polyethylene and UV stabilised.
- **DUCT INSULATION:** Polyester R0.6.
- **TEMPERATURE RANGE:** Maximum: +80°C, Minimum: -10°C.
- **COLOUR:** Silver with black sleeve.

1. All 1 metre lengths are packed in bags with header cards, 3 metre aluduct duct is supplied boxed and all other items are supplied in colour coded bags, see page 84 for colour coding.
2. No glued/adhesive duct should be installed in a compressed or ovalised state for fear of long term failure.

3. Products with the "order code" shown are generally ex. stock lines - other products are available to order.
4. Should you have an ongoing requirement for an item that is not a standard stock line - PLEASE discuss with us and we will review stocking the item for you.
