

High Output Towel Heaters

Elegant Heat

- Stylish with high quality chrome or white finish on steel
- High output 250W heating

Heated Elegance

Styled with timeless elegance to fuse with high quality bathroom elements - from bold to pure simplicity in bathroom designs.

Manrose High Output Towel Heaters quickly warm and dry towels. Their presence on the wall also adds to the overall style, temperature and comfort of the room.

Delivering a high 250 Watt heating output the towel heater not only leaves your towels warm and dry, but helps regulate temperature to the rest of the room decreasing the chances of mould and condensation, bringing your bathroom environment to life.
